

## Janitorial Service

At Artemis we specialise in top of the line cleaning products to help businesses with all their cleaning needs. We help with auditing purposes by recommending the right products as well as covering you with all the necessary paperwork and COSHH file to go with it. I have listed the main products our customers use to keep hygiene standards at a high level while being very cost effective. However, if there is a product you need which you can't see or if you need more information on any product please don't hesitate to get in touch.

Most popular cleaning products needed are

- Pot wash Detergent
- Heavy duty cleaner degreaser
- Cleaner sanitiser
- Antibac Washroom Cleaner
- Glass & stainless Steel Cleaner

They come in either

### Evolution 1000 Wall dispenser
